Learning English through Extra-Curricular Activities

We have designed a wide range of extra-curricular activities to provide a setting for students to become involved and to interact with other students outside of class, leading to increased learning and developed talents.

Students have opportunities to enhance their leadership and interpersonal skills through not only participation in school activities but also involvement in community in an English-speaking environment.

Debate Team

Team members are discussing the arguments and sharing ideas for the debate topics

Students are practicing their scripts in the morning

Professional tutors are coaching team members from S3-S5 the skills of writing debate speeches

Practice

Pair reading practice

Students are offered opportunities to practice on School Information Day

Competitions

It's a good opportunity for students to sharpen speaking skill in front of audience.
